PLAN FOR HENRICO.

MINORITY REPRESENTATION ALLOWED IN THREE PRECINCTS.

PRECINCT MEETINGS AND PRIMARIES.

Different Rules Adopted for Different Sections of the County—Fair-Field District Board Elects Teachers for the Next Term.

The Henrico County Democratic Committee met at the court-house yesterday at noon and adopted the plan whereby delegates to the gubernatorial convention in Roanoke, in August, will be chosen. Chairman E. E. Smith presided at the meeting, and every member of the committee was in place.

Business was conducted with great dispatch, and as soon as the body was rapped to order, Messrs. Simon Solomon, T. M. Gardner, T. P. Larus, R. T. Moncreux, and O. M. Nuckolls were appointed a committee to draft a plan. They retired, and after a long conference, reported the following plan, which was adopted without a dissenting voice:

"That precinct meetings shall be held at Baker's, Chestnut Hill, Ridge Church, and Jones' at 8 P. M., and at Barton Heights at 8 P. M., and at Hungary, Bunn's, Short Pump, Carter's, Whitlock's, and Seven Pines at 8 P. M., and at Town Hall at 8 P. M., on July 1, 1897; said meetings to be called to order at the hour named by one of the members of the County Committee.

"At Hardin's, Shoemaker's, and Smithers' precincts polls shall be opened at 8 P. M. and closed at 8 P. M. on July 1, 1897.

"The members of the County Committee representing said precincts shall select three persons to act as judges to conduct said election, who, before entering upon the discharge of their duties as judges, shall make oath to faithfully and honestly conduct said election, and opposing factions shall be represented in the choice of said judges.

"The judges of election at these precincts shall certify the vote cast for the candidates for Governor to the chairman of the County Committee, July 2, at 12 noon.

"That the total number of votes cast at a precinct shall be divided by the number of delegates said precinct is entitled to, and the delegates shall be apportioned in the ratio which the number of votes cast for a candidate bears to the total number of votes at said precinct.

"This section to apply to Shoemaker's, Hardin's, and Smithers' precincts, and no other.

"All Democrats who will be entitled to vote at the next November election shall be entitled to vote, and who will pledge themselves to support the Democratic nominee.

"Ballots shall be furnished by the candidates who run in the primary.

"At precinct meetings delegates shall be voted for by ballot, at Smithers', Hardin's, and Shoemaker's voters shall vote direct for the candidates.

"The chairman of the precinct meetings heretofore provided for shall report the names of the delegates elected at their respective precincts, in writing July 2, at 12 M.

HOW DELEGATES ARE APPOINTED.

"Delegates shall be apportioned as follows: Brookland-Chestnut Hill, 1; Darton

Heights, 1; Bruin's, 1; Jones, 1; Hunt-

bury, 2; Tuckahoe-Shoemaker's, 4; Forks of

Judge Baker P. Lee Won't Pay the Assessment.

NEWPORT NEWS, Va., June 12.—(Special.)—Judge Baker P. Lee was asked this afternoon whether or not he would pay the primary election assessment made by the Democratic Committee of Richmond. He replied:

"As a candidate for the Democratic nomination for Governor, it is not my purpose to pay the assessment made by the Richmond Committee for the expense of the primary there. The precedent involved in the assessment is bad. The principle is worse."

EPWORTH LITERARY CIRCLE.

Closing Meeting Held Friday at Miss Roberson's Residence.

The closing meeting of the Epworth Literary Circle of Union-Station church was held on Friday evening at the residence of the president, Miss Minnie Roberson, the house being tastefully decorated for the occasion. The spacious parlors, halls, and dining-room were filled to overflowing with bright, happy faces, and presented a scene of rare beauty. The entertainment, which took the form of a compliment to the gentlemen by the ladies, was a very elaborate affair. The program, which was admirably rendered and greatly enjoyed by all, was as follows: Recitation, Miss Lizzie Bales; duet, Misses McCarthy and Higgins; recitation, Miss Estelle Kelly; quartette, Mrs. Hughes, Misses Higgins, McCarthy, and Bates; recitation, Miss Smith; comedy (about Susan Jones), Misses Puller, Gliman, Atkinson, and Clarke.

The ladies and gentlemen composing the Literary Circle to show the high esteem in which they held their president, and Mr. Mayo, in a very clever speech, pre-

sented Miss Roberson with a handsome oak writing desk. Then the gentlemen were escorted by the ladies to the dining-room, where a cool reception was tendered them, which for once they seemed to appreciate. A very unique feature was here introduced when the president proposed the toast, "The Gentlemen." It was responded to by Miss Allen. In answer Mr. Perkins proposed the toast, "The Ladies," which was responded to by Miss Roberson, who showed quite plainly in what high regard the Christian women of our land are held. Other toasts responded to were: "The Devotional Department," by Miss Renea Gaudin; "The Charity and Help," by Miss Maggie Bates; and "The Literary Circle—Its History and Close," by Miss Estelle Kelly.

SPIRITED RACES AT FAIR OAKS.

A Number of Richmond People See Them.

A large number of Richmond's lovers of the turf, accompanied by their wives, daughters, and sisters, went to Fair Oaks yesterday evening to witness the races provided there by Messrs. J. S. Gilliam & Co., of the battle-field.

Not only were there present many Richmonders, but for miles around, Hanover, Henrico, and Henric City counties sent their representatives.

The principle race was what is familiarly known as a steeplechase, and embraced a run of two miles, over hurdles and ditches.

The first race was for a purse of \$50, which was won by Uncle Ned, owned by Mr. John Cheatwood, and ridden by Mr. C. Allen. In a minutes, Daisy, owned by Mr. Scott, and ridden by Mr. Blanton, came out second, and Marable, owned by J. A. Remond's & Brother, and ridden by W. M. Leathley, sustained third place.

The second race was over the same ground, was for a purse of \$25, and was won by Mollie in 4.20 minutes, owned by Mr. George Gaudin, and ridden by Mr. C. A. Allen. Mary C, owned by Mr. W. Tiller, and ridden by Mr. Allen White, sustained second place.

Married at Roanoke Rapids.

Quite a pretty marriage was solemnized at Roanoke Rapids, N. C., June 8th, at 12 o'clock, the contracting parties being Miss Lizzie Merritt, of that place, and Mr. William Frazier, of this city. The ceremony was performed by the Rev. Mr. Verrell, assisted by Rev. Mr. Frizzelle, in the presence of a large gathering of friends of both parties. The bride is an exceedingly attractive young lady. The groom is a trusted employee of the Snyder Pump and Well Company, and is deservedly popular. The couple were tendered a reception on their arrival in this city at the residence of the groom's mother. On account of the recent death of the groom's father only the immediate friends of the family were present.

Credit Due to Mr. R. H. Bradley.

Mr. J. C. Prebenson, of Raleigh, N. C., writes to the Dispatch that it was not he who had placed over the grave of the Confederate soldier, Henry Lawson Wood, the inscribed headstone, as was published here. Mr. Birdsong was his letter.

Mr. Wyatt belonged to the Edgecombe Guards, First North Carolina Regiment. The inscription and headstone were placed over the grave by Mr. H. Bradley, who was one of the five who volunteered to burn a house by order of Colonel D. H. Hill, and the inscription placed on the headstone. All five of the volunteers were North Carolinians, and belonged to the Edgecombe Guards.

Entertainment at Cathedral Hall.

An entertainment will be given at Cathedral Hall to-morrow night for the benefit of the State to give exhibits of the same. Those who will take part in it are Misses Mamie and Maggie Leaghey, Annie B. Kirk, Annie (Bradley) was the program, and the inscription placed on the headstone. All five of the volunteers were North Carolinians, and belonged to the Edgecombe Guards.

BICYCLE-RACE MEET.

HOWITZERS WILL ECLIPSE ALL PREVIOUS EFFORTS SATURDAY.

MANY VALUABLE PRIZES OFFERED.

The Entries Did Fair to Be Numerous, and the Various Contests Will Be Spirited—Battery to Purchase Confederate-Gray Uniforms.

The Howitzers have arranged for their bicycle meet the largest and most valuable list of prizes ever offered at a race meet yet held in this State. Over \$300 worth of prizes will be given in the eight races, which will take place on the 15th instant. The following is a complete list of those offered for the several events:

First race—one mile, novice—first prize, gold medal, value \$15; second prize, silver service, 6 pieces, value \$10; third prize, pair Vim tires, value \$9, donated by Tignor's sons, and tally-nod lamp, value \$1, donated by Bridgeport.

The uniform which the Howitzers will purchase with the funds derived from the entertainment, should make many of our patriotic citizens buy tickets who will not attend the races, and thus assist them in their cause, as they have adopted the regular Confederate officers' gray uniform, and the thing the Howitzers have long needed and they could have hardly selected one that would be more admired and respected in any climate than the gray.

There being no ball game on the evening of the 15th, the races will, no doubt, attract a large crowd.

The committee having the meet in charge is composed of Lieutenant W. M. Myers, chairman; Sergeant F. W. Minson, treasurer; Private J. V. Taylor, secretary; Sergeant W. T. Bolling, Sergeant W. H. W. Mass, Corporal J. C. Booker, Corporal J. W. Booker, Corporal A. L. Richardson, Privates C. L. Epps, E. W. Boshier, and R. C. Sainsberry.
